MAXLINER BEDLINERS

**BEDLINER
OVER RAIL**

**BEDLINER
UNDER RAIL**

Designed to meet the highest specifications of each vehicle where toughness, agility and dependability are all combined into the Maxliner brand. Our products are also tested under the most severe and harsh environments which makes it the strongest bed liner ever manufactured.

- Easy to clean from dust, mud, and chemical residues
- 100% anti UV protection
- Easy installation and requires no drilling
- Available in over rail or under rail sets

MAXLINER KD

Our Maxliner KD (Knocked Down) 5 piece under rail bed liner is our latest evolutionary step forwards bedliner innovation. For this variant the floor has a "non-skid floor surface" reducing sliding of cargo while driving. Furthermore, the five-piece design allows a closer fit to the truck bed, maximizing inside space. This all packed in a single box, reducing transport damages, shipped to you much more efficiently than the traditional bed liners and easy to install DIY.

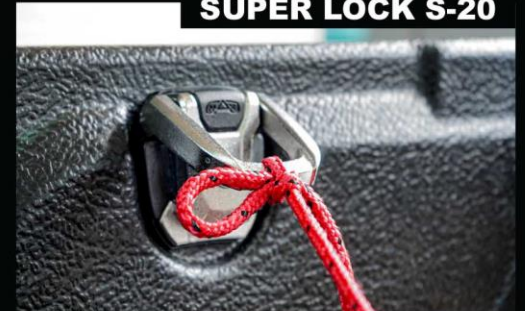

Do your own research and we're confident you'll see that the Maxliner KD is your best choice in Pick-up Bed protection!
